

Departure Instructions

We hope you had a fantastic time! Below you will find information to ensure a smooth departure. If you have booked a final cleaning, please refer to the first page. From page 2 onwards, you will find all the details if you are cleaning the vacation home yourself.

Final cleaning booked/included

Thank you very much – your landlord will take care of the thorough cleaning for you! Nevertheless, we kindly ask you to take care of a few small tasks before you leave.

Kitchen & dishwasher

- Remove food and items from the refrigerator and cabinets.
- Please rinse used dishes, pots, and cutlery; empty the dishwasher (if applicable).
- Please roughly clean stovetops and countertops of food residues.

Living area & fire places

- Return all furniture to its place.
- If a fireplace has been used: dispose of ash in a metal container once it is cold. Wipe the glass of the fireplace and the surrounding area.

Sauna (if applicable)

- Please turn off the sauna if it is still in operation.
- Leave the sauna door open after the last visit to allow it to air out.

Barbecue & outdoor areas

- Clean the barbecue grate, if used, and dispose of ash once cold.
- Let the barbecue cool down and cover it if a cover is available.
- Place outdoor furniture back in position, store seat cushions dry.

Sheets & towels

- Please strip all beds and set aside borrowed bed linens and towels for pickup/laundry.

Bins

- Empty all bins and dispose of the waste in the appropriate outdoor bins or at your next recycling station – be sure to follow the local rules for waste separation.

Key & departure

- Please leave all keys where you found them (e.g., in a key box) or return them to your landlord.
- Please inform us immediately if anything broke. If you provide a replacement, keep the receipt for your liability insurance.
- Check all windows, doors, and balcony doors again – are they all closed and locked?
- Turn off lights, heating, and all electrical appliances.

We wish you a safe journey home and hope to welcome you to Sweden again soon!

Departure Instructions

No final cleaning booked

The following checklist will help you to thoroughly clean the holiday home so that the following guests also have a good start to their vacation:

Kitchen & dishwasher

- Remove all food and items from the fridge and cabinets, and wipe them down.
- Wash and put away dishes, pots, pans, and cutlery.
- If a dishwasher is available: please empty it.
- Clean the stove, oven, microwave, and countertops.
- Clean the kitchen sink and, if applicable, the dishwasher filter.
- Mop the floor and clean any dirty surfaces.

Bathroom

- Clean the sink, shower/bathtub, and toilet.
- Remove hair and other dirt from the drains.
- Wipe the mirror.
- Mop the floor and clean any dirty surfaces.

Living areas & fire places

- Return all furniture to its place.
- If a fireplace has been used: dispose of ash in a metal container once it's cold. Wipe the fireplace glass and surroundings.
- Vacuum all rooms and mop washable floors.
- Dust furniture and lamps.

Sauna (if applicable)

- Allow the sauna to cool down completely and turn it off.
- Wipe down sauna benches.
- Leave the sauna door open to air out.

Barbecue & outdoor areas

- Clean the barbecue grate and dispose of ash once cooled.
- Allow the barbecue to cool and cover it if a cover is available.
- Wipe patio furniture and return it to its place, store seat cushions dry.
- Sweep the patio floor.

Sheets & towels

- Strip all beds, place borrowed bed linens and towels ready for collection/laundry.
- Fold duvets and arrange them with pillows neatly on the beds.

Please also read page 2.

Departure Instructions

Bins

- Empty all bins and dispose of the waste in the appropriate outdoor bins or at your next recycling station – be sure to follow the local rules for waste separation.
- Line the bins with fresh bin bags, and clean them beforehand if necessary.

General

- Shake out mats, loose rugs, and duvets outside and ventilate the house well.
- If you have used the washing machine and/or dryer (if available), please clean the lint filter.
- Please inform us immediately if anything broke during your stay. If you provide a replacement, keep the receipt for your liability insurance.

Keys & Departure

- Please leave all keys where you found them (e.g., in a key box) or return them to your landlord.
- Check all windows, doors, and balcony doors again – are they all closed?
- Turn off lights, heating, and all electrical appliances.

Thank you for your care – a smooth holiday depends on the trust between the host and their guests.

We wish you a safe journey home. See you next time!
